Kiddush Sat Aug 5: A sumptuous High-Kiddish was sponsored by the Yacower family on the occasion of the Bar-Mitzvah of Nat Yacower's grandson Noah. (see below)

Liquor Donations: **a)** A bottle was donated was donated by Shaia Leibinger in honour of his beloved mother Zeifl Z"L. **b)** And another bottle was donated by Larry Puritt in honour of his beloved mother Ethel Z"L.

Birthdays: **a) MAZAL TOV and HAPPY 77th BIRTHDAY to Simcha "Simmy" Grabina.** Long life and good health until 120. On a personal note, I have known Simcha for about 70 of those years – not too shabby – eh???? **b) HAPPY 70th BIRTHDAY and MAZAL TOV** to Billy (Velvel) Rubin on his 70TH Birthday on Tuesday Aug 8th. Many more in good health until 120. **c)** I may have missed some not passed on to me so **HAPPY BIRTHDAY** to those as well!

Bar-Mitzvah: A great day for the Yacower family and a great day for YIC at SS. **MAZAL TOV** to the Yacowers on the occasion of Nat's grandson Noah celebrating his Bar-Mitzvah in his grandfather's shul. The YIC executive and members wish the entire Yacowar family **MAZAL TOV**, and lots of "naches" from Noah and lots of health to the entire family. Noah's dad Meir (sorry and apologies – other family names not available), who live in Toronto, chose our shul for Noah's Bar-Mitzvah, and we are the richer for that. We got to see and hear the tremendous job he did reciting the prayers and reading from the Torah. We also got to hear about his heroic exploits as a child of 6, winning a medal of courage for saving lives in the Turks & Caicos Islands. (Google if not sure where)! Noah seems to have established himself already as a pillar in his

community, and his family and our shul are very proud of him. **YASHIR KOACH NOAH** for a job well done.

A great day also for the YIC who celebrated our first Bar-Mitzvah in our new premises, and the Kiddish or luncheon was a spread not seen in some years. Again, **YASHIR KOACH** to the whole family for making their simcha ours as well, and another **YASHIR KOACH** to George Finkelstein, Naphtali Sheinbach (although sick and recuperating at home nevertheless helped cater this event), Dave Green and Susan Erdelyi for helping the Yacowers prepare, set the tables and decorate the hall.

Refuah Shlema: a) To our beloved Gabbai Naphtali Sheinbach who has been out now for over a month with serious back problems, now a little better we've heard. **b)** And to Mindy's dad, who is still recuperating in the hospital; we wish him a very speedy recovery. **c)** And to all who are under the weather, a **refuah shlema**.

TU b'AV: A Happy Tu (15th) of Av to all. Tu B'Av is a minor Jewish holiday. In modern-day Israel it is celebrated as a holiday of love, somewhat similar to Valentine's day. It has been said to be a "great day for weddings."
