Please note: **a)** Monday to Thursday evening services have been moved up to 7:15 PM. This will slowly continue to be moved up until we move the clocks back November 5 and we revert to a winter schedule. **b)** We will have morning services every day this week. **a)** Also note that we blow the shofar every day during the month of Elul after morning services.

Kiddush Sat Sept 2: A gefilte fish and herring kiddish was sponsored by the shul, and everyone seemed to think it was a nice relief from a summer of cholent, egg rolls and what nots!!! We will try to continue to bring a different menu to our kiddishes from week to week.

Rabbi's Class: The Rabbi's classes return this week on Thursday Sept 7 at 7:45 PM, right after Ma'ariv services.

Liquor Donations: No bottles this week, but surely some occasionz coming up that warrant a bottle or two.

Welcome: A huge Young Israel of Chomedey "**BRUCHIM HABAIM**" / **WELCOME** to Gabbai Naphtali Sheinbach, who joined us for the first time after a 2-1/2 month absence recovering from a debilitating back illness. He was none the worse for wear as he jumped in with both feet taking over his regular "**misheberaching**" duties, with Moshe resuming his Gabbai duties at the other side. And with Dave Apelbaum now handing out aliyas, Gabbai

Mishneh - Jerry Segal is now out of a job, with no prospects for the future. Don't go job hunting just yet, Jerry – it's only a reprieve, I believe we may require your extraordinary talents in a short while. A **"WELCOME"** also to the Sheinbach kids (for those who remember their "funnies" – no relation to the Katzenjammer kids) who came to shul to support their father on his first day on the job, and to Naphtali's family in from Israel for the High Holidays.

Yashir Koach: **a)** A large **YASHIR KOACH** to Yossi, Moshe and Jerry, who filled in so ably while the Rabbi was away on holiday, and while Naphtali was away on sick leave. Gentlemen – you did a fine job! **b)** I was remiss in not announcing it at this morning's services, but everyone commented on how beautiful the shul looks. Rabbi Banon, stopped by when everyone had left after the Kiddish – I was still there – and the Rabbi was astounded at the transformation. This is in large part thanks to Dave Green and Fred Rudy, who literally got down on their hands and knees and "by the sweat of their brows" did the work to make it happen. And still more to come! So a huge **YASHIR KOACH** to both of them.

Mazal Tov: **a)** **MAZAL TOV** To Lillian and VP Fred Rudy on the birth of a great grandson in Israel on Wednesday Aug 30. More details to follow. **b)** **MAZAL TOV** to Marilyn & VP Stan Plant who will be celebrating their Golden anniversary, on Sun. Sept. 10th; **c)** **MAZAL TOV** to Great Uncle Dave Green whose niece in Ottawa gave birth to a 6 lb baby girl.

Refuah Shlema: **a)** A **REFUAH SHLEMA** to Lillian Rudy who was rushed to the hospital on Wed Aug 30 with some complications. They finally came home at midnight, and Lillian is feeling much much better, recovering from some of the medications they gave her. **b)** Continued **REFUAH SHLEMAS** to our beloved Gabbai Naphtali Sheinbach; to Mindy's dad, who is still recuperating in the hospital; to Larisa bat Leah who continues to recover from double heart surgery; to Joe Budner recuperating from some serious health problems lately and to Bernie Peroff, who has been having severe arthritis problems these last few months (although was in shul this morning); **c)** a **REFUAH SHLEMA** to Lou Gontovnick who had surgery a week ago. Lou will also need a 2nd surgery, so possibly won't be with us for the High Holidays and we wish him well, and a gut gezint yohr! **d)** A **REFUAH SHLEMA** to Yehuda Rappaport, admitted to the JGH on Aug 29th with kidney problems – improving and hopefully will be released as soon as possible; **e)** And to all who are under the weather, a **REFUAH SHLEMA** to all.

Condolences: **a)** For the second time in a month the Young Israel of Chomedey offers it's sincere condolences to Dave & Thelma Smith and the

entire Smith Family on the passing of Dave's elder brother Sydney Z"L, who passed away on Friday Erev Shabbat at 91 years of age. The funeral will take place on Monday at 10 AM at Papermans. Dave will be attending services every morning with us, and shiva will take place at his late brother's residence in Cote St. Luc at 6950 Côte St Luc Rd Apt 702, every evening Monday to Thursday from 2:00 to 4:00 PM and 7:00 to 9:00 PM, and Friday 12:00 to 2:00 PM. Evening services to be determined and advised later on. Please join us in paying our respects to the Smith family, and performing the Mitzvah of *Nichum Aveilim* (comforting mourners) at the shiva residence.

“May G-D comfort the family amongst the mourners of Zion and Jerusalem”

b) Also sad to announce the passing of Sheila Lerner, sister of Marvin and Nelly Mendelovitch, past long time members of the YIC for some 35 years.

“May G-D comfort the family amongst the mourners of Zion and Jerusalem”

Unveiling: Shirley Bruman z"l, wife of Paul Bruman, passed away March 16 of this year. The unveiling will take place on Sunday Sept. 3rd, 11:00 AM at the Farband Labour Zionist Cemetery in DDO.

High Holiday Seat Sales: Once again, it is important for both members and non-members to know that seat sales are selling well; almost 125 seats have been sold, and the hall can hold a maximum of 205+/- a few. If you have not yet purchased your seats or know of friends, family and acquaintances who have not yet purchased seats, this week is the time to do so. Our seating plan has been finalized and the seats are up. Everyone who has seen the set-up has said that they are extremely impressed with how our sanctuary looks. Don't consign yourself to standing room or no room by procrastinating. While the Young Israel of Chomedey does not turn away anyone from prayer services anytime of the year, we cannot assign seats for more than the maximum available. Simply put – it's against the law and a safety hazard. Please call the office on Tuesday AM and get cracking!!!!
