Mazal Tov: This month marks 50 years that Simmy and Beryl Grabina became members of the YIC. Being a young couple, they started off in the auxiliary service downstairs, not being able to afford the upstairs fee, but nevertheless, they felt right at home. Their son was Bar-Mitzvahed in 1989 with Rabbi Spiro. Today, Simmy can always be counted on for a Minyan, and is a regular Minyannaire every Monday morning. If he is not in Ottawa with his own family, then every Shabbat he is in shul with his YIC family, and is also a regular at the Rabbi's classes. Today, 50 years later, the YIC is still their second home. On a personal note, Beryl adds..."the shul looks beautiful...the people involved in turning a cold unwelcoming room into a warm sanctuary are to be commended.... congratulations on a job well done." **CONGRATULATIONS and MAZAL TOV** to the Grabinas, and our wishes go out for both of them to be healthy, and enjoy our shul for many many years to come.

Elections: Please note that Quebec elections this year take place on Oct 1, which is **SHMINI ATZERET**, a holiday on which we cannot go out and vote. You can, however, vote on Friday Sept 21; Sunday Sept 23; Wednesday Sept 26; and Thursday Sept 27, all of which are week days or on Chol Hamoed Sukkot. The times differ each day; so do the riding office addresses. Please remember you cannot vote if your name is not on the electoral list. By now you should have received a postcard informing you of your eligibility to vote. You can also check if your name is on the list by going to www.elections.quebec/check. You will be asked to enter your name, birthday, civic number and postal code, after which will appear a page giving you the riding addresses for each day, and the hours that you can vote. Make sure the information you enter is exact. Ladies - you may have to enter either your maiden name or married name, depending upon how you are registered on the electoral list. If you get a negative reaction, that means you are NOT on the list, in which case you have to go down to the riding office with proof of ID, and you will be looked after. Please make every effort to vote on the various pre-election dates which will be publicized in your riding.

PARSHAT HASHAVUA - WEEKLY TORAH PORTION
The Parshah in a Nutshell

Parshat Ha'Azinu

Deuteronomy 32:1-52

The greater part of the Torah reading of Haazinu ("Listen In") consists of a 70-line "song" delivered by Moses to the people of Israel on the last day of his earthly life.

Calling heaven and earth as witnesses, Moses exhorts the people, "Remember the days of old / Consider the years of many generations / Ask your father, and he will recount it to you / Your elders, and they will tell you" how G-d "found them in a desert land," made them a people, chose them as His own, and bequeathed them a bountiful land. The song also warns against the pitfalls of plenty—"Yeshurun grew fat and kicked / You have grown fat, thick and rotund / He forsook G-d who made him / And spurned the Rock of his salvation"—and the terrible calamities that would result, which Moses describes as G-d "hiding His face." Yet in the end, he promises, G-d will avenge the blood of His servants, and be reconciled with His people and land.

The Parshah concludes with G-d's instruction to Moses to ascend the summit of Mount Nebo, from which he will behold the Promised Land before dying on the mountain. "For you shall see the land opposite you; but you shall not go there, into the land which I give to the children of Israel."
